A name listed is your units Assigned Unit Commissioner. -- A name with an * is a Contact Commissioner for your unit. This is because we do not have enough commissioners to have assigned unit commissioners to service every unit. A Contact Commissioner is available to your unit if you have any questions and may make visits or contacts as they are able but units should not expect it. Units should feel comfortable reaching out at any time with questions, problems, or concerns. We will make an attempt to have a meeting with your key 3 to complete your detailed assessments and to get periodic updates from you. Sometimes another commissioner may also help out with a Detailed assessment, that person is indicated with ⅀.

Please add your commissioner &/or District Commissioner to your units email lists, Facebook groups or websites. This helps us all keep in touch more often.

Units may also always contact the District Commissioner (DC) and or an Assistant District Commissioner (ADC) if you are not able to get in touch with your unit commissioner or are not getting a response. Contact Information for all commissioners, including roundtable commissioners, is provided on page 2 of this document and all Commissioners emails are located on the District Website at <http://indianspringsbsa.org/Commissioner/> by clicking on the commissioners names. We also have a facebook group for sharing information and questions <https://www.facebook.com/groups/scouting411/> as well as a public Facebook page we use to share events so units can share them publicly. <https://www.facebook.com/ISDCteampage/>
