2017	Melissa Torres	Melissa Torres	
2390	Sara Galbraith*		
2424		Stephen Ward	
2819	Kim Jones	Kim Jones	
3030	Kim Jones		

A name listed is your units Assigned Unit Commissioner. -- A name with an * is a Contact Commissioner for your unit. This is because we do not have enough commissioners to have assigned unit commissioners to service every unit. A Contact Commissioner means that this commissioner will most likely only contact you to do your detailed assessments twice a year. Other than that they are available to your unit if you have any questions and may make visits or contacts as they are able but units should not expect it. Units should feel comfortable reaching out at any time with questions, problems, or concerns. -- If no name is listed we do not have a commissioner to assign to your unit right now. Please contact the District Commissioner with any problems, questions, or concerns. We will make an attempt to have a meeting with your key 3 to complete your detailed assessments and to get periodic updates from you.

Please add your commissioner &/or District Commissioner to your units email lists, Facebook groups or websites. This helps us all keep in touch more often.

Units may also always contact the District Commissioner (DC) and or an Assistant District Commissioner (ADC) if you are not able to get in touch with your unit commissioner or are not getting a response. Contact Information for all commissioners will be provided on a separate page that will be posted as soon as we have that. All Commissioners emails are located on the District Website at <http://indianspringsbsa.org/Commissioner/> by clicking on the commissioners names. We also have a facebook group for sharing information and questions <https://www.facebook.com/groups/scouting411/> as well as a public Facebook page we use to share events so units can share them publicly. <https://www.facebook.com/ISDCteampage/>

Sara Galbraith – District Commissioner
